Welcome to TILLER & HOBES

We care about Good School Food!

Which is why we work closely with the Soil Association to make sure we are providing food which is healthy, sustainably sourced, better for animal welfare and delicious of course! This means:

- All of the eggs we use are free range
- We source British, local and seasonal produce where possible
- Our meat is sourced from UK farmers with high standards of animal welfare
- We have all three of the MSC, Forestry Stewardship Council and EU

Custody certification which demonstrates that the fish we serve is from well-managed, sustainable fisheries.
